DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board has considered objections to an election held May 13, 2011, and the hearing officer's report recommending disposition of them. The election was conducted pursuant to a Decision and Direction of Election and a Supplemental Decision. The tally of ballots shows 141 ballots cast for Petitioner Local 1181-1061, Amalgamated Transit Union, AFL-CIO, 5 ballots cast for the Party to the Contract, with 56 ballots cast against the participating labor organizations, and 1 void ballot and 7 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the hearing officer's report within the time provided. Accordingly, the Board adopts the hearing officer's findings and recommendations, and finds that a certification of representative should be issued.

CERTIFICATION OF REPRESENTATIVE

IT IS CERTIFIED that a majority of the valid ballots have been cast for Local 1181-1061, Amalgamated Transit Union, AFL-CIO, and that it is the exclusive collective-bargaining representative of the employees in the following appropriate unit:

> All full-time and regular part-time drivers, mechanics and utility workers located and employed out of the Employer's 1957 Richmond Terrace, Staten Island, New York facility, and in connection with the Employer's Staten Island-based operations, but excluding all warehouse employees, dispatchers, quality control employees, office clerical employees, managerial employees, guards, and supervisors as defined in Section 2(11) of the Act.

Dated, Washington, D.C., October 21, 2011.
