Dear Mr. Young:

This is in response to your November 22, 2010 Motion to File Supplemental Brief in Response to Board Decision in Machinists Local Lodge *2777(L-3 Communications)*, 355 NLRB No. 174 (2010) on behalf of the Charging Parties in the subject cases.

It appears from your submission that you seek to file the Supplemental Brief untimely pursuant to the Board's excusable neglect provision in Section 102.111(c) of the Board's Rules and Regulations. In that regard, in *International Union of Elevator Constructors, Local No. 2 (Unitec Elevator Services Company),* 337 NLRB 426 (2002), the Board announced its "intention to enforce strict compliance with the requirement of Section 102.111(c) that the specific facts relied on to support a motion to accept a late filing shall be set forth in affidavit form and be sworn to by individuals with personal knowledge of the facts. The signature of an attorney on the motion will not be treated as a substitute for the required affidavit."

Based on the foregoing, I am unable to transmit your Motion to the Board for consideration until it is accompanied by the required affidavit noted above. If you desire that your brief be accepted under the excusable neglect provision, please file the required affidavit by **November 29, 2010,** with service on all parties. No extensions will be granted for the filing of the affidavit.

Very truly yours,

Richard D. Hardick
