Re: **Lori's Diner International, Inc. and Frank Park, an Individual, and Unite! Here Local 2, 20-RD-2477**

Dear Mr. Heltzer:

This office represents the Employer in connection with the above-captioned case.

On March 8, 2011, the Regional Director dismissed the election petition of Frank Park. Pursuant to the Board's Rules and Regulations, our Request for Review is currently due on March 22, 2011. I am informed by the Petitioner, Frank Park, that he will be requesting review in this matter. Due to the press of other business, I request a one week extension of time within which to file our Request for Review, to and including March 29, 2011.

Our firm is a small, three attorney office. On Monday, March 14, I submit a combination mediation/arbitration brief in Pekari v. MedImmune, which is scheduled for an all week hearing commencing March 21 through March 25. On March 14, I will also be appearing at Region 32 in Case 32-CA-25505 to present a witness in conjunction with that investigation. On Tuesday, March 15, I will be in all day meeting in San Jose dealing with several lawsuits filed against our client. On Wednesday, March 16, I am in a grievance arbitration and from there, will move to a meeting with another client to discuss complex litigation we are currently handling in Massachusetts. On Thursday, March 17 and Friday, March 18, I have scheduled meetings with other clients and will also be preparing to the one week long mediation/arbitration mentioned above in connection with Pekari v. MedImmune where this office represents the Plaintiff employee. We commence the mediation/arbitration on March 21, which will keep me out of the office for the remainder of that week.

By copy of this letter, I am requesting that Jacob Rukeyser, who represents Local 2 either consent to or state no objection to this one week extension. I have also notified Mr. Park and I can represent he joins in the request.

Thank you for your attention to and cooperation in this matter.

Very truly yours,

PATRICK W. JORDAN
