MOTION TO EXTEND TIME

Philips Electronics North America ("Philips") hereby files a Motion to Extend the Time to File its Answering Brief to Counsel for the Acting General Counsel's Exceptions to the ALJ's decision, and Cross-Exceptions, if any, until August 27, 2013. It is respectfully submitted that there is proper cause to extend the time to make such filing based on the fact that the undersigned counsel had previously scheduled business travel, training, and an extensive workload, as well planned vacation time during the relevant time period. This date, I contacted Counsel for the Acting General Counsel to determine if his office opposed this motion, but I have not received a response and I must leave for business travel.

Respectfully submitted,

By: /s/ Mason C. Miller
