Re: Seaport Printing and AD Specialties, Inc.
D/B/A Port Printing AD and Specialties
Case 15-CA-017976

Dear [redacted]

Your appeal from the Regional Director's decision outlined in her compliance determination letter has been carefully considered. The appeal is denied substantially for the reasons set forth in the Regional Director's letter of April 29, 2011. Contrary to your contentions on appeal, the investigation established that the determination regarding the appropriate reimbursement you are owed for medical expenses was accurate. While you contend that the Employer's share of [redacted] policy was the same prior to your addition in 2006, you failed to submit evidence regarding the Employer's share of the premium prior to 2006 to support your contention. You further contend on appeal that you are owed an additional dollar amount in medical reimbursement that you paid "in additional deductibles," however you failed to provide any basis or evidence for your proposed figure of deductibles.

Pursuant to the National Labor Relations Board's Rules and Regulations Section 102.53(c), Series 8, as amended, you may file a request for a review of the above decision with the National Labor Relations Board at:

Executive Secretary

National Labor Relations Board

1099 14th Street, N.W., Room 11602

This request for review must be received by the National Labor Relations Board no later than the close of business 14 days after the date appearing on this letter. The request for review must contain a complete statement of the facts and reasons upon which it is based and must identify

with particularity the error claimed in the decision. A copy of the request for review shall be served on the undersigned General Counsel and on the Regional Director.
