Charging Party UNITE HERE Local 2850 requests an extension to file a brief in opposition to the Respondent's exceptions.

The response is currently due April 15, 2013. Charging Party seeks an extension until May 15, 2013.

The ALJ's decision in this case was issued on August 17, 2012. Respondent's exceptions were due on September 15, 2012, but Respondent obtained three extensions and did not file objections until December 21, 2012.

At that time, Respondent filed 71 exceptions, and a 70-page supporting brief.

Three extensions have been granted to Counsel for the General Counsel and the Charging Party to respond.

The Charging Party and the Respondent have reached a global settlement of their labor dispute, and on February 25, 2013, the Charging Party requested withdrawal of the charge and complaint. The Charging Party finalized that request on March 23, 2013.

On March 26, 2013, Region 32 filed a motion requesting that the Board remand the case. That motion is still pending. Therefore, the Charging Party requests an extension of the deadline to respond to Respondent's exceptions until May 15, 2013.
