COUNSEL FOR THE ACTING GENERAL COUNSEL'S MOTION
TO STRIKE RESPONDENT'S MOTION FOR RELIEF

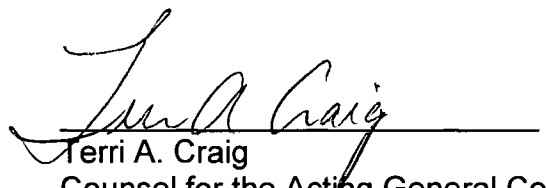
On April 12, 2013, Respondent filed its Motion for Relief in the above-captioned case. On April 15, 2013, this office received a copy of that Motion. The Motion and its attachments must be stricken because they have no relevance whatsoever to the matters that were in dispute and litigated at the time the administrative record closed. To the extent that Respondent seeks modification of the administrative law judge's recommended order based on changed circumstances, the proper procedure to secure such relief is through the exceptions process as set forth in Section 102.46 of the Board's Rules and Regulations.

In fact, Respondent's counsel has informed Counsel for the Acting General Counsel of his intent to request an extension of time for the filing of exceptions pursuant to Section 102.46(a) for the purpose of garnering additional time to negotiate a mutually agreeable settlement in the instant case in light of certain changed circumstances potentially impacting the scope of the recommended order.

Based on the above, Counsel for the Acting General Counsel respectfully urges the Board to deny Respondent's Motion for Relief.

Dated at Hartford, Connecticut this 16th day of April, 2013.

Respectfully submitted,



Terri A. Craig
Counsel for the Acting General Counsel
