Re: R & S Waste Services LLC -2-CA-065928

Dear Mr. Shinners:

This firm represents R & S Waste Services LLC in the above referenced matter. The date for filing Exceptions was August 5, 2013 (original due date was July 15, 2013 and extended upon request of charging party). R & S Waste Services LLC requests an extension of time to submit its Answering Brief to the Exceptions filed by charging party to September 27, 2013. The basis for the request is as follows.

R & S's counsel concluded an 8 day trial before the NLRB in case 29-CA-100827 *et al* on July 31, 2013. A related § 10(j) application is being briefed now (13-cv-03762) and will be fully submitted August 16 before the Hon. Kiyo Matsumoto, U.S.D.J. of the United States District Court for the Eastern District of New York. The hearing is set for August 20, 2013. R & S's counsel is also preparing for a trial to commence August 19 before the Hon. Leonard D. Wexler, U.S.D.J. of the United States District Court for the Eastern District of New York in case 11-cv-1709 anticipated to last two weeks. Counsel is also under a court ordered deadline in case 12-cv-1502 to complete depositions (approximately 9) by September 20. Finally, counsel is also set to commence a trial in Region 2 on September 17 in case 2-CA-088984.

Given the extraordinary obligations and the complicated nature of the instant matter, Counsel respectfully requests that R & S's Answering brief be due on September 27, 2013.

Very truly,

MILMAN LABUDA LAW GROUP PLLC
