Re: I.U.O.E., Local 12 (Short Load Concrete, Inc.)
NLRB Case Nos. 21-CC-072834 and 21-CC-089199

Dear Mr. Shinners:

The undersigned is counsel for the International Union of Operating Engineers, Local 12, AFL-CIO in connection with the referenced cases. As I recently returned to work after being out of the country during the time when this Decision was rendered I am requesting that the date for receipt of exceptions and briefs be extended until **October 10, 2013**. Such extension will allow me to clear my calendar of conflicts and provide sufficient time to adequately inform my client of their options.

Thank you for your consideration of this request.

Very truly yours,

Hugo A. Tzec, House Counsel
I.U.O.E., Local Union No. 12
