National Labor Relations Board

MEMORANDUM

TO: Gary W. Shinners, Executive Secretary

FROM: Terry A. Morgan, Director
Region 7 – Detroit

DATE: September 20, 2013

SUBJECT: United States Postal Service
Cases 07-CA-099718, et al.

TRANSMITTAL OF SETTLEMENT STIPULATION

Pursuant to Section 101.9(b)(1) of the Board's Rules and Regulations, and CHM Section 10164.8, I am forwarding to you this memorandum, the executed Formal Settlement Stipulation, and the documents constituting the record in the above cases for the Board's approval.

The Formal Settlement Stipulation, a bilateral agreement, fully remedies the allegations of the First Amended Consolidated Complaint, providing for a narrow cease and desist order and a notice posting.[1] The Settlement Stipulation also includes an enforcement provision with the United States Court of Appeals.

Because the Region has previously approved informal settlement agreements and has a recently enforced Board Order involving similar refusals to provide or unreasonable delay in providing information by Respondent, we believe the Formal Settlement Stipulation provides adequate assurances against further violations of the Act.

T.A.M.

cc: David A. Kelly, Deputy Assistant General Counsel
William B. Cowen, Solicitor

[1] Please note that the Settlement Stipulation includes a handwritten correction initialed by the parties at pages 4 and 6, and at Appendix A. The purpose of the correction is to accurately reflect that the information requested by the Union includes "the Staffing Matrix for the SPBS/APBS 6-seater that is in the process of installation" (emphasis added).

The following are the addresses and telephone numbers of the parties.
