Cases 22-CA-078843 and 22-CA-081066

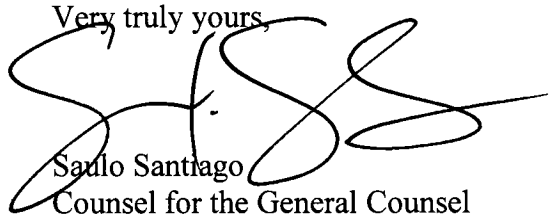
Dear Mr. Shinners:

On June 28, 2013, Administrative Law Judge Steven Fish issued a Decision in the above-referenced matters finding violations of Section 8(a)(1) and (5) of the Act. The Judge's remedy includes backpay and a notice posting. Respondent filed timely exceptions to the Administrative Law Judge's Decision. The Counsel for the General Counsel opposed Respondent's exceptions urging the Board to uphold Administrative Law Judge Fish's recommendations of findings of fact and conclusions of law.

On November 26, 2013, the parties notified Counsel for the General Counsel that it reached a settlement of this instant matter as well as additional charges against Respondent currently pending investigation before the Region. Specifically, the parties reached a successor collective bargaining agreement that is effective November 25, 2013; agreed to fully pay employees Juan Diaz, Pedro Fuentes and Fred Zaghloul for lost wages due to Respondent's unilateral closure of the employee cafeteria; and agreed to offer immediate reinstatement to Fred Zaghloul to his previous position or an equivalent position. The parties have now executed settlement documents with the understanding that this matter would be remanded to the Regional Office to approve the terms of this settlement. Therefore, Counsel for the General Counsel respectfully requests that the Board remand the above-referenced cases back to the Regional Director for the purpose of approving this settlement.

A copy of this request via electronic mail had been served on the parties to this proceeding this same date.

Very truly yours,



Saulo Santiago
Counsel for the General Counsel
