MOTION FOR AN EXTENSION OF TIME TO FILE EXCEPTIONS

Pursuant to Section 102.46 of the Board's Rules and Regulations, Respondents hereby move for an extension of time for the parties to file exceptions to the decision of the Administrative Law Judge. In support thereof, Respondents state the following:

1. The Administrative Law Judge ("ALJ") decision in this matter was issued on December 20, 2013.

2. Prior to the ALJ decision, the parties reached a private settlement, and the Charging Party requested withdrawal of the Charge.

3. On January 7, 2014, the Charging Party and Respondents filed a joint motion to remand to the Regional Director in order to have the Charge withdrawn.

4. On January 24, 2014, the Region informed Respondent that it would oppose the motion to remand because the Region does not believe the parties' settlement provides an adequate remedy.

5. The motion to remand is still pending before the Board.

6. If the motion to remand is not granted, or if the Charge is not withdrawn, Respondents intend to file exceptions to the ALJ decision. Respondents respectfully request an extension of time to file such exceptions, with exceptions to be due 14 days

following the Board's decision on the motion to remand, assuming the Board's decision does not dispose of the case.

7. The Region does not oppose the extension request.

For all the foregoing reasons, Respondents respectfully request that their motion be granted, and that the time in which to file answering briefs be extended as set forth in Paragraph 6.

Respectfully submitted,

/s/ Ross H. Friedman
