Re: Pennsylvania Grain Processing, LLC
NLRB Case No.: 06-RC-264280

Dear Regional Director Wilson:

Bakery, Confectionery, Tobacco Workers and Grain Millers International Union, Local No. 19 writes to request a postponement of the hearing in the above referenced matter. The hearing is currently scheduled for Thursday August 27, 2020. Undersigned counsel is scheduled to attend all-day grievance proceedings with a client in Cleveland, Ohio on August 27th. In addition, undersigned counsel is scheduled to attend proceedings related to a union election ballot count in Columbus, Ohio on Friday August 28th and Saturday August 29th. Moreover, Local 19 needs additional time to prepare the appropriate logistics for a Videoconference hearing room including making arrangements for witnesses to testify in Covid-19 complaint manner.

Because of these pre-existing conflicts and logistical challenges, Local 19 seeks to postpone the hearing from Thursday, August 27 until Monday, August 31, 2020.

Attending the hearing without legal counsel would unfairly prejudice the Union.

I have contacted the Employer's representative, Jonathan Kok, who has indicated that the Employer does not object to this request.

Based on the information provided above, Local 19 respectfully asks that the Regional Director grant its request for a brief postponement for good cause shown. This request is not made to unduly prejudice the parties or delay the proceedings unnecessarily. Thank you for your prompt attention to this matter. If you have any questions, please do not hesitate to contact me.

Sincerely yours,

Timothy Fadel /KS
