DIRECTION OF ELECTION

STATEMENT OF THE CASE

Upon petition duly filed by Guards, Federal Labor Union No. 23402, A. F. of L., herein called the Union, alleging that a question affecting commerce had arisen concerning the representation of employees of Embry-Riddle Company, Miami, Florida, herein called the Company, the National Labor Relations Board provided for an appropriate hearing upon due notice before Paul S. Kuelthau, Trial Examiner. Said hearing was held at Miami, Florida, on November 30, 1943. The Company and the Union appeared at and participated in the hearing.¹ All parties were afforded full opportunity to be heard, to examine and cross-examine witnesses, and to introduce evidence bearing on the issues. The Trial Examiner's rulings made at the hearing are free from prejudicial error and are hereby affirmed. All parties were afforded opportunity to file briefs with the Board.

Upon the entire record in the case, the Board makes the following:

FINDINGS OF FACT

I. THE BUSINESS OF THE COMPANY

Embry-Riddle Company operates flying schools in the State of Florida at which Army, Navy, and Civil Aeronautics Administration personnel are trained. The Company also operates an aircraft overhaul division consisting of an aircraft overhaul plant at Miami, Flor-

ida, an instrument overhaul plant at Coral Gables, Florida, and an engine overhaul plant at northwest Miami. All planes repaired by the Company are owned either by the Army, Navy, or Civil Aeronautics Administration. The planes repaired by the Company are sent to it from the States of North Carolina, South Carolina, Georgia, and Florida. Repair parts used by the Company are furnished by the Army, Navy, and Civil Aeronautics Administration, and are obtained by them from points outside the State of Florida. The Company furnishes paint and dope for fabrics on the Civil Aeronautics Administration planes and during the year ending October 31, 1943, purchased \$25,000 worth of paint and dope, all of which were shipped to it from points outside the State of Florida. During the year ending October 31, 1943, the Company received about \$1,500,000 from its overhaul operations. We find that the Company is engaged in commerce within the meaning of the National Labor Relations Act.

II. THE ORGANIZATION INVOLVED

Guards, Federal Labor Union No. 23402, is a labor organization affiliated with the American Federation of Labor, admitting to membership employees of the Company.

III. THE QUESTION CONCERNING REPRESENTATION

During the latter part of October 1943, the Union requested the Company to recognize it as the exclusive collective bargaining representative of the guards. The Company did not reply to this request.

A statement of a Field Examiner of the Board, introduced into evidence at the hearing, indicates that the Union represents a substantial number of employees in the unit hereinafter found to be appropriate.²

We find that a question affecting commerce has arisen concerning the representation of employees of the Company, within the meaning of Section 9 (c) and Section 2 (6) and (7) of the Act.

IV. THE APPROPRIATE UNIT

We find, in substantial agreement with a stipulation of the parties, that all guards employed by the Company in and around its plants in Miami, Florida, excluding the captain and any other supervisory employees with authority to hire, promote, discharge, discipline, or otherwise effect changes in the status of employees, or effectively recommend

such action, constitute a unit appropriate for the purposes of collective bargaining, within the meaning of Section 9 (b) of the Act.

V. THE DETERMINATION OF REPRESENTATIVES

We shall direct that the question concerning representation which has arisen be resolved by means of an election by secret ballot among the employees in the appropriate unit who were employed during the pay-roll period immediately preceding the date of the Direction of Election herein, subject to the limitations and additions set forth in the Direction.
