DECISION

DIRECTION OF ELECTION

STATEMENT OF THE CASE

Upon petition duly filed by United Brick and Clay Workers of America, A. F. of L., herein called the Union, alleging that a question affecting commerce had arisen concerning the representation of employees of Davis Fire Brick Company, Oak Hill, Ohio, herein called the Company, the National Labor Relations Board provided for an appropriate hearing upon due notice before James A. Shaw, Trial Examiner. Said hearing was held at Oak Hill, Ohio, on August 23, 1944. The Company and the Union appeared, participated, and were afforded full opportunity to be heard, to examine and cross-examine witnesses, and to introduce evidence bearing on the issues. The Trial Examiner's rulings made at the hearing are free from prejudicial error and are hereby affirmed. All parties were afforded opportunity to file briefs with the Board.

Upon the entire record in the case, the Board makes the following:

FINDINGS OF FACT

I. THE BUSINESS OF THE COMPANY

Davis Fire Brick Company is an Ohio corporation with its principal place of business at Oak Hill, Ohio, where it is engaged in the manufacture, sale, and distribution of refractory products. During the 12-month period preceding the hearing, the Company purchased materials from points outside the State of Ohio valued in excess of \$2,500.

During the same period the Company sold products valued in excess of \$100,000, 50 percent of which was shipped to points outside the State of Ohio.

The Company admits that it is engaged in commerce within the meaning of the National Labor Relations Act.

II. THE ORGANIZATION INVOLVED

United Brick and Clay Workers of America is a labor organization affiliated with the American Federation of Labor, admitting to membership employees of the Company.

III. THE QUESTION CONCERNING REPRESENTATION

The Company refuses to recognize the Union as the exclusive collective bargaining representative of its employees, because of doubt as to its majority status.

A statement of a Field Examiner of the Board, introduced into evidence at the hearing, indicates that the Union represents a substantial number of employees in the unit hereinafter found to be appropriate.¹

We find that a question affecting commerce has arisen concerning the representation of employees of the Company, within the meaning of Section 9 (c) and Section 2 (6) and (7) of the Act.

IV. THE APPROPRIATE UNIT

We find, in accordance with a stipulation of the parties, that all production and maintenance employees of the Company at its Oak Hill, Ohio, plant, excluding clerical employees, supervisors, assistant supervisors, and any other supervisory employees with authority to hire, promote, discharge, discipline, or otherwise effect changes in the status of employees, or effectively recommend such action, constitute a unit appropriate for the purpose of collective bargaining, within the meaning of Section 9 (b) of the Act.

V. THE DETERMINATION OF REPRESENTATIVES

We shall direct that the question concerning representation which has arisen be resolved by means of an election by secret ballot among the employees in the appropriate unit who were employed during the pay-roll period immediately preceding the date of the Direction of Election herein, subject to the limitations and additions set forth in the Direction.

¹The Field Examiner reported that the Union presented 16 membership application cards. There are 32 persons in the appropriate unit.

DIRECTION OF ELECTION

F. of L., for the purposes of collective bargaining.
