DIRECTION OF ELECTION

STATEMENT OF THE CASE

Upon petition duly filed by United Electrical, Radio & Machine Workers of America, C. I. O., herein called the Union, alleging that a question affecting commerce had arisen concerning the representation of employees of Charles Parker Company, Meriden, Connecticut, herein called the Company, the National Labor Relations Board provided for an appropriate hearing upon due notice before Leo J. Halloran, Trial Examiner. Said hearing was held at Meriden, Connecticut, on January 11, 1945. The Company and the Union appeared, participated, and were afforded full opportunity to be heard, to examine and cross-examine witnesses, and to introduce evidence bearing on the issues. The Trial Examiner's rulings made at the hearing are free from prejudicial error and are hereby affirmed. All parties were afforded opportunity to file briefs with the Board.

Upon the entire record in the case, the Board makes the following:

FINDINGS OF FACT

I. THE BUSINESS OF THE COMPANY

Charles Parker Company is a Connecticut corporation with its principal place of business at Meriden, Connecticut, where it is engaged in the manufacture of machine tools, light fixtures, urns, and vises. The Company purchases raw materials valued in excess of \$400,000

annually, about 52 percent of which is shipped to it from points outside the State of Connecticut. During the same period, the Company sells products valued in excess of \$1,500,000, approximately 63 percent of which is shipped to points outside the State of Connecticut.

The Company admits that it is engaged in commerce within the meaning of the National Labor Relations Act.

II. THE ORGANIZATION INVOLVED

United Electrical, Radio & Machine Workers of America is a labor organization affiliated with the Congress of Industrial Organizations, admitting to membership employees of the Company.

III. THE QUESTION CONCERNING REPRESENTATION

On November 28, 1944, the Union requested the Company to recognize it as exclusive bargaining representative of the Company's employees. The Company refused this request until such time as the Union is certified by the Board.

A statement of a Field Examiner of the Board, introduced into evidence at the hearing, indicates that the Union represents a substantial number of employees in the unit hereinafter found to be appropriate.¹

We find that a question affecting commerce has arisen concerning the representation of employees of the Company, within the meaning of Section 9 (c) and Section 2 (6) and (7) of the Act.

IV. THE APPROPRIATE UNIT

We find, in agreement with the parties, that all production and maintenance employees of the Company, including shipping and receiving employees and set-up men, but excluding clerical employees, engineering department employees, watchmen, guards, foremen, subforemen, working foremen, and any other supervisory employees with authority to hire, promote, discharge, discipline, or otherwise effect changes in the status of employees, or effectively recommend such action, constitute a unit appropriate for the purposes of collective bargaining, within the meaning of Section 9 (b) of the Act.

V. THE DETERMINATION OF REPRESENTATIVES

We shall direct that the question concerning representation which has arisen be resolved by means of an election by secret ballot among

the employees in the appropriate unit who were employed during the pay-roll period immediately preceding the date of the Direction of Election herein, subject to the limitations and additions set forth in the Direction.
