Case 9-CA-35293

November 7, 1997

DECISION AND ORDER

BY CHAIRMAN GOULD AND MEMBERS FOX AND
HIGGINS

Pursuant to a charge filed on September 12, 1997, the General Counsel of the National Labor Relations Board issued a complaint on September 16, 1997, alleging that the Respondent has violated Section 8(a)(5) and (1) of the National Labor Relations Act by refusing the Union's request to bargain following the Union's certification in Case 9-RC-16865. (Official notice is taken of the "record" in the representation proceeding as defined in the Board's Rules and Regulations, Secs. 102.68 and 102.69(g); *Frontier Hotel*, 265 NLRB 343 (1982).) The Respondent filed an answer admitting in part and denying in part the allegations in the complaint and asserting affirmative defenses.

On October 9, 1997, the General Counsel filed a Motion for Summary Judgment. On October 15, 1997, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. On October 29, 1997, the Respondent filed a response.

Ruling on Motion for Summary Judgment

In its answer and response the Respondent admits its refusal to bargain, but attacks the validity of the certification on the basis of its objections to the election and the Board's unit determinations in the representation proceeding.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this unfair labor practice proceeding. See *Pittsburgh Plate Glass Co. v. NLRB*, 313 U.S. 146, 162 (1941). Accordingly, we grant the Motion for Summary Judgment.

On the entire record, the Board makes the following

FINDINGS OF FACT

I. JURISDICTION

At all material times, the Respondent, a corporation, has been engaged in the operation of an acute care hospital in Williamson, West Virginia. During the 12-month period preceding issuance of the complaint, the Respondent, in conducting its operations described above, derived gross revenues in excess of \$250,000 and purchased and received at its Williamson, West Virginia facility goods valued in excess of \$50,000 directly from sources outside of the State of West Virginia.

We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(6) and (7) of the Act and a health care institution within the meaning of Section 2(14) of the Act, and that the Union is a labor organization within the meaning of Section 2(5) of the Act.

II. ALLEGED UNFAIR LABOR PRACTICES

A. *The Certification*

Following the election held May 29, 1997, the Union was certified on August 15, 1997, as the exclusive collective-bargaining representative of the employees in the following appropriate unit:

All full-time and regular part-time technical employees, skilled maintenance employees, including the maintenance specialist, and other nonprofessional employees, including the emergency room registration clerks, the out patient registration clerks, medical records department employees, the discharge planner, the human resources assistant, dietary supervisors, maintenance specialist, linen/central sterilization technician and nursing administration secretary, employed by the Employer at its Williamson, West Virginia facilities, but excluding all confidential employees, business office clericals, including admission clerk, out patient scheduling clerk, relief admission supervisor, switchboard/PBX operator, data processing employees and accounting department employees, and all professional employees, including registered nurses, physicians, the nuclear medicine-lead technician/assistant manager of radiology services and medical technologists, guards and supervisors as defined in the Act.

The Union continues to be the exclusive representative under Section 9(a) of the Act.

B. *Refusal to Bargain*

On August 21, 1997, the Union requested the Respondent to bargain, and, on August 28, 1997, the Respondent refused. We find that this refusal constitutes

an unlawful refusal to bargain in violation of Section 8(a)(5) and (1) of the Act.

CONCLUSION OF LAW

By refusing on and after August 28, 1997, to bargain with the Union as the exclusive collective-bargaining representative of employees in the appropriate unit, the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

REMEDY

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to bargain on request with the Union and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by the law, we shall construe the initial period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. *Mar-Jac Poultry Co.*, 136 NLRB 785 (1962); *Lamar Hotel*, 140 NLRB 226, 229 (1962), enfd. 328 F.2d 600 (5th Cir. 1964), cert. denied 379 U.S. 817 (1964); *Burnett Construction Co.*, 149 NLRB 1419, 1421 (1964), enfd. 350 F.2d 57 (10th Cir. 1965).
