ORDER APPROVING REQUEST FOR
WITHDRAWAL OF CHARGE AND
DISMISSING COMPLAINT

On October 30, 1974, the Board issued a Proposed Decision, Order, and Direction of Second Election⁴ in the above-entitled case in which it found that Respondent engaged in certain conduct violative of Section 8(a)(1) of the National Labor Relations Act, as amended, and dismissed those allegations of the complaint relating to the discharges of several employees of the Employer. The Board further set aside the election in Case 9-RC-9367 and remanded that case to the Regional Director for appropriate action.

¹ Hereinafter called Respondent.

² Hereinafter called Employer.

³ Hereinafter called Charging Party-Petitioner.

⁴ 214 NLRB 413.

On January 6 and 10, 1975, the Charging Party-Petitioner and Respondent-Employer, respectively, entered into a stipulation whereby they agreed, *inter alia*, that the notice of hearing and unfair labor practice charge filed in Case 9-CA-6686 be withdrawn, that the complaint be dismissed, that the petition in Case 9-RC-9367 be withdrawn and that the cases be closed on the grounds that the parties have arrived at a mutually satisfactory adjustment in settlement of the dispute arising out of the above-entitled cases.

On January 17, 1975, counsel for the General Counsel moved that the Board approve the request for withdrawal of the charge and dismiss the complaint.

In the absence of any opposition thereto and as it appears that such adjustment will effectuate the policies and purposes of the Act, the Board approves the request for withdrawal of the charge, and the dismissal of the complaint.

IT IS HEREBY ORDERED that the complaint be, and it hereby is, dismissed.

By direction of the Board: George A. Leet, Associate Executive Secretary
