ORDER

The Petitioner's Request for Review of the Regional Director's Decision and Direction of Election is granted as it raises substantial issues warranting review.

On December 22, 2010, the Board issued a Notice and Invitation to File Briefs in Specialty Healthcare and Rehabilitation Center of Mobile, 356 NLRB No. 56, in which it invited the parties and interested amici to file briefs addressing issues raised by the Board's decision in Park Manor Care Center, 305 NLRB 872 (1991).

In granting review in the present case, we invite the parties to address the questions set forth in the Notice and Invitation to File Briefs. The Board hereby consolidates this case and Specialty Healthcare for purposes of consideration.
