LOCAL 707'S REQUEST FOR REVIEW

The Production Workers Union, Local 707, NPWU hereby requests that the National Labor Relations Board review the decision of Region 4, dated April 5, 2011. The Region should not have ordered an election in the above matter until issues arising under *Dana Corp* have been reviewed by this Board in *Lamons Gasket Co.*, 355 NLRB No. 157 (2010). Merely impounding the ballots while holding an election before the *Dana* challenges have been resolved is prejudicial to the Intervenor.

Respectfully submitted,

Patrick J. Calihan, Atty. Local 707
