ERRATA

In the Decision and Recommended Order in this matter, issued on August 30, 2011, I inadvertently omitted certain provisions of the Remedy section, the Recommended Order, and the Notice, which are necessary in order to provide relief appropriate to the findings of fact and conclusions of law. The Remedy section is hereby modified to incorporate the following language:

Respondent shall make whole the bargaining unit employees for any loss of earnings and other benefits suffered as a result of the unilateral changes in work hours, day shift employee work schedules, call-out policies, and sick leave policies, and subcontracting implemented in June 2010, as prescribed in *F.W. Woolworth Co.*, 90 NLRB 289 (1950), with interest as set forth in *Kentucky River Medical Center*, 356 NLRB No. 8 (2010).

The Recommended Order is hereby modified to include the following affirmative relief:

Make the bargaining unit employees whole for any loss of earnings and other benefits suffered as a result of the unilateral changes in work hours, day shift employee work schedules, call-out policies, sick leave policies, and subcontracting implemented in June 2010, in the manner set forth in the Remedy section of this decision.

The Notice is hereby modified to include the following provision:

WE WILL make the bargaining unit employees whole for any loss of earnings and other benefits suffered as a result of the unilateral changes in work hours, day shift employee work schedules, call-out policies, sick leave policies, and subcontracting implemented in June 2010.

Dated: September 19, 2011.
