Dear Sir and Madam:

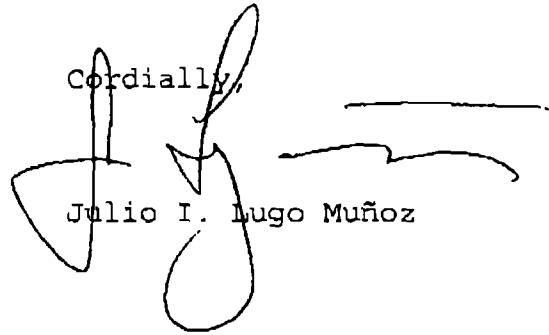

We have just received a Decision and Certification of Representative issued by Henry S. Breitender, Associate Executive Secretary of the National Labor Relation Board, regarding the objections to Election filed by the Employer in this case. In said notification the Board's Associate Executive Secretary informs that the Board has adopted the Regional Director's report concerning the objections filed since no exceptions were filed before the Regional Director regarding it's recommendations.

We inform and certify that neither the undersigned attorney nor any other attorney/or personnel of our offices had ever received any document, notification, report or any other determination or recommendation of the Region regarding the objections to the election filed by this Attorney on behalf of the Employer. We also contacted our client, to verify if they had received copy of said report, and we were informed that they had

not received any document, decision or report regarding said matter.

We respectfully and urgently request copy of said report for our study, consideration and due course. We also request that the Employer be provided with a term to file exceptions, if we understand it proper.
