**Re: Whitesell Corp., 18-CA-18540**

Dear Mr. Heltzer:

On October 26, 2011, Respondent filed a motion seeking limited reconsideration. In that motion, Respondent indicated that the parties had reached a new collective bargaining agreement, subject to ratification by the Union's members. At the time the motion was filed, the ratification vote had not been conducted. This is to advise that a ratification vote has now been held, and the members have ratified the agreement. Thus, a new collective bargaining agreement is now in place.

Sincerely,

Charles P. Roberts III
