INTERNATIONAL BROTHERHOOD OF ELECTRICAL  
WORKERS, LOCAL 206  
Petitioner

DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board has considered objections to an election held September 7 and 8, 2011, and the Regional Director's report recommending disposition of them.<sup>1</sup> The election was conducted pursuant to a Stipulated Election Agreement. The tall of ballots shows 78 for and 65 against the Petitioner, with 2 challenged ballots, an insufficient number to affect the results.

The Board has reviewed the record in light of the exceptions, has adopted the Regional Director's findings and recommendations, and finds that a certification of representative should be issued.<sup>2</sup>

---

<sup>1</sup> In the absence of exceptions, we adopt pro forma the Regional Director's recommendation to overrule Objection 3.

<sup>2</sup> In excepting to the Regional Director's recommendation to overrule Objection 2, the Employer states that the Regional Director "did not even see fit to hold a hearing in this case." To the extent this statement contends that a hearing should have been held, it is sufficient to note that the objection was based on a statement in a campaign video and the Regional Director assumed both that the video was shown to employees in the unit and that it contained the alleged statement and found no objectionable conduct. Thus, the Employer's objection did not raise any genuine dispute as to material fact. See Park Chevrolet-Geo, Inc., 308 NLRB 1010, 1010 fn. 1 (1992).

CERTIFICATION OF REPRESENTATIVE
