Case 26–CA–072684

April 9, 2012

DECISION AND ORDER

BY CHAIRMAN PEARCE AND MEMBERS HAYES  
AND GRIFFIN

This is a refusal-to-bargain case in which the Respondent is contesting the Union’s certification as bargaining representative in the underlying representation proceeding. Pursuant to a charge filed by the Union on January 19, 2012, the Acting General Counsel issued the complaint on February 9, 2012, alleging that the Respondent has violated Section 8(a)(5) and (1) of the Act by refusing the Union’s request to recognize and bargain following the Union’s certification in Case 26–RC–067840. (Official notice is taken of the “record” in the representation proceeding as defined in the Board’s Rules and Regulations, Secs. 102.68 and 102.69(g); *Frontier Hotel*, 265 NLRB 343 (1982).) The Respondent filed an answer admitting in part and denying in part the allegations in the complaint, and asserting defenses.

On February 28, 2012, the Acting General Counsel filed a Motion for Summary Judgment. On February 29, 2012, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. The Respondent filed a response.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

Ruling on Motion for Summary Judgment

The Respondent admits its refusal to bargain, but contests the validity of the certification on the basis that the unit is inappropriate.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this un-

fair labor practice proceeding.<sup>1</sup> See *Pittsburgh Plate Glass Co. v. NLRB*, 313 U.S. 146, 162 (1941).

Accordingly, we grant the Motion for Summary Judgment.<sup>2</sup>

On the entire record, the Board makes the following

FINDINGS OF FACT

I. JURISDICTION

At all material times, the Respondent, a Delaware corporation, with an office and place of business in Springfield, Tennessee, has been engaged in the operation of a skilled nursing facility.

During the 12-month period ending December 31, 2011, the Respondent, in conducting its business operations described above, derived gross revenues in excess of \$100,000 and purchased and received at its Springfield, Tennessee facility goods and/or supplies valued in excess of \$50,000 directly from points outside the State of Tennessee.

We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(2), (6), and (7) of the Act, and has been a health care institution within the meaning of Section 2(14) of the Act, and that the Union, International Association of Machinists and Aerospace Workers, AFL–CIO, is a labor organization within the meaning of Section 2(5) of the Act.

II. ALLEGED UNFAIR LABOR PRACTICES

*A. The Certification*

Following the representation election held on December 29, 2011, the Union was certified on January 6, 2012, as the exclusive collective-bargaining representative of the employees in the following appropriate unit:

Included: All full-time and regular part-time registered nurses employed by Respondent at its Springfield, Tennessee facility.

Excluded: All other employees, including, all directors of nursing, assistant directors of nursing, directors of clinical education, resident nursing assessment coordinators, minimum data set coordinators, medical records coordinators, admissions directors, dietary employees, activities employees, social services employees, licensed practical nurses, certified nursing assistants, contract personnel, housekeeping employees, mainte-

<sup>1</sup> Member Griffin did not participate in the underlying representation proceeding. He agrees, however, that the Respondent has not raised any new matters or special circumstances warranting a hearing in this proceeding or reconsideration of the decision in the representation proceeding, and that summary judgment is therefore appropriate.

<sup>2</sup> The Respondent’s request that the complaint be dismissed and that it be awarded its costs and attorneys’ fees is therefore denied.

nance employees, office clerical employees, professional employees, guards, and supervisors as defined in the Act.

The Union continues to be the exclusive collective-bargaining representative of the unit employees under Section 9(a) of the Act.

#### B. Refusal to Bargain

About January 11, 2012, the Union, by letter, requested the Respondent to recognize and bargain collectively with it as the exclusive collective-bargaining representative of the unit. By email dated January 17, 2012, and by letter dated January 19, 2012, the Respondent's attorney informed the Union that the Respondent had decided to test the certification of the unit employees, and that a technical refusal to bargain was procedurally required.

Since about January 17, 2012, the Respondent has failed and refused to recognize and bargain with the Union as the exclusive collective-bargaining representative of the unit. We find that this failure and refusal constitutes an unlawful failure and refusal to recognize and bargain with the Union in violation of Section 8(a)(5) and (1) of the Act.

#### CONCLUSION OF LAW

By failing and refusing since about January 17, 2012, to recognize and bargain with the Union as the exclusive collective-bargaining representative of the unit the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

#### REMEDY

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to recognize and bargain on request with the Union and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by law, we shall construe the initial period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. *Mar-Jac Poultry Co.*, 136 NLRB 785 (1962); *Lamar Hotel*, 140 NLRB 226, 229 (1962), *enfd.* 328 F.2d 600 (5th Cir. 1964), *cert. denied* 379 U.S. 817 (1964); *Burnett Construction Co.*, 149 NLRB 1419, 1421 (1964), *enfd.* 350 F.2d 57 (10th Cir. 1965).
