DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board has considered objections to an election held November 22, 2011, and the Regional Director's Supplemental Report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 35 ballots cast for the Petitioner, 21 ballots cast for the Intervenor, 2 votes cast against the participating labor organizations, with 1 challenged ballot, an insufficient number to affect the results.

No exceptions have been filed to the Regional Director's Supplemental Report within the time provided.¹ Accordingly, the Board adopts the Regional Director's findings and recommendations, and finds that a certification of representative should be issued.

¹ The Regional Director issued his Report on Objections on December 9, 2011. The Intervenor filed timely exceptions to this Report. Subsequently, the Regional Director treated the exceptions as a Motion for Reconsideration and issued his Supplemental Report on Objections on August 1,
