Re: Case No 02-RC-070804

Dear Mr. Heltzer:

I write on behalf Petitioner Local 108 (the "Union") in reference to the above-identified matter and to request an extension of time to January 7, 2013 for the Union to answer the Employer's Exceptions to the Hearing Officer's Report on Objections.

I make this request for extension as I will be out of my office on vacation for the holidays commencing December 21 through January 1, 2013. As well , I have a scheduled arbitration on January 3, 2013. I have spoken with counsel to the Employer who does not have an objection to my request for extension of time to January 7. I left a phone message as well sent an electronic mail request to counsel for the Intervener who has yet to respond. I would note no representative for the Intervener appeared at the hearing nor did any representative file a post-hearing brief.

I thank you for you consideration in this matter.

Sincerely,

Haluk Savci
Counsel to Local 108
