**Barsyl Supermarkets Inc. d/b/a Fine Fare Supermarkets and Local 338, Retail, Wholesale & Department Store Union, UFCW. Case 29–CA–088768**

February 13, 2013

**DECISION AND ORDER**

BY CHAIRMAN PEARCE AND MEMBERS GRIFFIN  
AND BLOCK

The Acting General Counsel seeks a default judgment in this case on the ground that the Respondent has failed to file an answer to the complaint and notice of hearing. Upon a charge filed on September 6, 2012, by Local 338, Retail, Wholesale & Department Store Union, UFCW (the Union), the Acting General Counsel issued the complaint on November 29, 2012, against Barsyl Supermarkets Inc. d/b/a Fine Fare Supermarkets (the Respondent), alleging that it has violated Section 8(a)(5) and (1) of the Act. The Respondent failed to file an answer.

On January 2, 2013, the Acting General Counsel filed with the Board a Motion for Default Judgment, with exhibits attached. On January 4, 2013, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. The Respondent filed no response. The allegations in the motion are therefore undisputed.

**Ruling on the Motion for Default Judgment**

Section 102.20 of the Board's Rules and Regulations provides that the allegations in a complaint shall be deemed admitted if an answer is not filed within 14 days from service of the complaint, unless good cause is shown. In addition, the complaint affirmatively stated that unless an answer was received by December 13, 2012, the Board may find, pursuant to a motion for default judgment, that the allegations in the complaint are true. Further, the undisputed allegations in the Acting General Counsel's motion disclose that the Region notified the Respondent, by letter dated December 18, 2012, that if no answer was received by December 26, 2012, a motion for default judgment would be filed. The Respondent failed to file an answer.

Accordingly, in the absence of good cause being shown for the failure to file an answer, we grant the Acting General Counsel's Motion for Default Judgment.

On the entire record, the Board makes the following

**FINDINGS OF FACT**

**I. JURISDICTION**

At all material times, the Respondent has been a corporation with an office and place of business located at 406 Avenue P, Brooklyn, New York 11223 (the Respondent's facility), and has been operating a retail grocery store.

During the 12-month period preceding the issuance of the complaint, which is representative of its annual operations in general, the Respondent, in the course and conduct of its business operations described above, derived gross revenues in excess of \$500,000, and purchased and received goods and supplies valued in excess of \$5000 directly from suppliers located outside the State of New York.

We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(2), (6), and (7) of the Act, and that the Union is a labor organization within the meaning of Section 2(5) of the Act.

**II. ALLEGED UNFAIR LABOR PRACTICES**

The following employees of the Respondent (the unit), constitute a unit appropriate for the purposes of collective bargaining within the meaning of Section 9(b) of the Act:

All of Barsyl's present and future full-time and part-time employees (other than store managers, butchers and meat wrappers) employed in all departments in all of the present and future supermarkets and stores operated by Barsyl.

At all material times, the Respondent has recognized the Union as the exclusive collective-bargaining representative of the unit. This recognition has been embodied in successive collective-bargaining agreements, the most recent of which is effective from November 6, 2011 through December 31, 2014.

At all material times, based on Section 9(a) of the Act, the Union has been the exclusive collective-bargaining representative of the unit.

Since about August 16, 2012, the Union has requested in writing that the Respondent furnish the Union with the following information: (1) addresses and phone numbers of all unit employees, and (2) their work schedules and payroll data from November 6, 2011, to the present.

The information requested by the Union, as described above, is necessary for and relevant to the Union's performance of its duties as the exclusive collective-bargaining representative of the unit.

Since about August 16, 2012, the Respondent has not responded to the Union's request for information described above.
