Re: **Brandywine Lehigh Transportation**
Case 04-RD-101983

Dear Ms. Schroy:

This letter acknowledges receipt of your Request for Review of the Regional Director's Decision and Order in the subject case.

Sections 102.67(c) and (d) of the Board's Rules and Regulations provide that:

(c) The Board will grant a request for review only where compelling reasons exist therefor. Accordingly, a request for review may be granted only upon one or more of the following grounds:

- (1) That a substantial question of law or policy is raised because of (i) the absence of, or (ii) a departure from, officially reported Board precedent.
- (2) That the Regional Director's decision on a substantial factual issue is clearly erroneous on the record and such error prejudicially affects the rights of a party.
- (3) That the conduct of the hearing or any ruling made in connection with the proceeding has resulted in prejudicial error.
- (4) That there are compelling reasons for reconsideration of an important Board rule or policy.

(d) Any request for review must be a self-contained document enabling the Board to rule on the basis of its contents without the necessity of recourse to the record; however, the Board may, in its discretion, examine the record in evaluating the request. With respect to ground (2), and other grounds where appropriate, said request must contain a summary of all evidence or rulings bearing on the issues together with page citations from the transcript and a summary of argument. But such request may not raise any issue or allege any facts not timely presented to the Regional Director.

Your request for review, filed on July 9, 2013, does not allege any of the reasons stated above as to why review should be granted. Therefore, your request for review is deemed deficient, and will not be forwarded to the Board for consideration.

Very truly yours,
