Dear Mr. Pollack:

This acknowledges the January 8, 2014 receipt in this Office of the Respondent's request to file a combined 20-page reply brief to Counsel for the General Counsel's Answering Brief in Opposition to Respondents' Exceptions, and the Charging Party's Answering Brief to the Respondents' Exceptions.

In the very limited circumstances of this case, and for the sake of efficiency, the Respondents' request is granted. Accordingly, the Respondents may file a maximum 20-page reply brief by January 13, 2014.

Very truly yours,
