Re: **Respondents' Notice of Supplemental Authority**
Int'l Longshore and Warehouse Union, AFL-CIO, 19-CC-082533 et al.

Dear Counsels:

This letter acknowledges Respondents' Notice of Supplemental Authority dated March 31, 2014, in which you wish to call to the Board's attention the recent decision in *ILWU v. ICTSI Oregon Inc.*, Case No. 3:12-cv-01058-SI (D. Or. March 2014), and its applicability to the above-referenced case.

Pursuant to *Reliant Energy*, 339 NLRB 66 (2003), a party may bring to the Board's attention pertinent and significant authorities that come to a party's attention after the party's brief has been filed. A party may promptly advise the Executive Secretary, by letter, with a copy to all other parties. The letter should set forth the case citations and state the reasons for them, and refer to the pages, paragraphs, and lines of the brief to which the citations apply. The body of the letter must not exceed 350 words.

Your Notice of Supplemental Authority is not a letter, exceeds the word limit, and fails to refer to the pages, paragraphs, and lines of the Respondents' brief to which the citation applies. Accordingly, your Notice cannot be forwarded to the Board for consideration. You may resubmit a letter that complies with all of the requirements of *Reliant*.

Very truly yours,

A handwritten signature in black ink, appearing to read "Farah Z. Qureshi", with a long horizontal flourish extending to the right.

Farah Z. Qureshi
Associate Executive Secretary
