Division of Operations-Management

MEMORANDUM OM 90-66

September 10, 1990

TO : All Regional Directors, Officers-in-Charge
and Resident Officers

FROM : Joseph E. DeSio, Associate General Counsel

SUBJECT: Local Area Unemployment Compensation
Information and Intergovernmental Employment
Information

During this period of time where the Agency is facing the possibility of furloughs, we want to provide our employees with as much information as possible that may bear upon their economic opportunities and entitlements. Accordingly, please contact the appropriate agency governing unemployment compensation in your local commuting area, and secure all relevant information and forms concerning employees' possible entitlement to such benefits. Place all such materials in the office library and ensure that all employees know that it is available. Forward a complete set of such materials to your Assistant General Counsel.

Further, please contact the local Federal Executive Board, and any appropriate State and local government office to determine whether any opportunities may exist for temporary details for agency employees to other federal and local agencies where the cost of such details would be born by the receiving agency. Submit the results of your inquiry to your Assistant General Counsel by the close of business September 19, 1990. Due to certain restrictions which apply concerning employment with other governmental agencies, any determination with regard to such opportunities will be made by appropriate Agency officials in Washington.

Any questions concerning this matter should be addressed to your Assistant General Counsel
