**DECISION AND ORDER**

The National Labor Relations Board has considered objections to an election held on July 23, 2008 and the Regional Director's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 106 for and 123 against the Union, with 13 challenged ballots, an insufficient number to affect the election results.

No exceptions have been filed to the Regional Director's report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations.

**ORDER**

**IT IS ORDERED** that this proceeding is remanded to the Regional Director for Region 9 for further appropriate action consistent with his report.

Dated, Washington, D.C., August 21, 2008.

By direction of the Board:

Margaret Rafferty
