Re: Fresh & Easy Neighborhood Market Inc.  
Cases 21-CA-38882 and 21-CA-39100  
356 NLRB No. 90

Dear Mr. Heltzer:

On January 31, 2011, the Board issued its Decision and Order in the above-entitled matter.

Pursuant to the NOTICE of typographical errors instructions that precedes the Decision and Order, Counsel for the Acting General Counsel hereby notifies the Board of the following typographical error that needs correcting prior to the Decision and Order's publication in the bound volumes:

On page 2 of the Board's slip opinion, in the last paragraph of the Board's modified Order, there is an inadvertent inclusion of the classification/term "mailhandler." This should be omitted because that job title does not appear in the record.

The relevant sentence should read: ". . . Respondent shall duplicate and mail, at its own expense, a copy of the notice to all current employees and former employees employed by the Respondent at its Spring Valley facility since June 11, 2009."

Respectfully submitted,

Robert MacKay  
Counsel for the Acting General Counsel
