**Re: 800 River Road Operating Company, LLC d/b/a/ Woodcrest Health Care
Center and 1199 SEIU, United Healthcare Workers East
Case No. 22-RC-073078**

Dear Mr. Heltzer:

On March 2, 2013, this office filed a motion to reopen the record, accompanied by 3 certifications, in this case. Thereafter we noticed a typographical error in the motion to reopen. Also, the certificate of service is inaccurate in view of the fact that the motion to reopen the record and accompanying certifications were not filed on March 1, as we had intended, but on March 2. Accordingly, we are substituting the accompanying corrected version of the motion to reopen the record and request that the Board substitute this corrected version for the one that was filed on March 2. The only changes in the corrected version appear (1) on page 6 in the first full paragraph, 13th line, where we have substituted the word "clerk" for "nurse" and (2) on pages 8 and 9 where we have substituted "March 2" for "March 1".

The accompanying certificate of service confirms that we have served copies of this letter and the corrected version of the motion to reopen the record upon the Regional Office and Union counsel.

If you have any questions, please let us know.

Respectfully,

s/ Jedd Mendelson
