Case 24-RC-100527

CENTRAL GENERAL DE TRABAJADORES
Petitioner

ORDER

The Employer's Request for Review of the Acting Regional Director's Decision and Direction of Election is denied as it raises no substantial issues warranting review.¹

Dated, Washington, D.C., May 29, 2013.

¹ In denying review, we agree with the Acting Regional Director that the record does not establish that the planned closure of the refrigeration department is certain and imminent. In support of its contention, the Employer has attached a letter to the petitioned-for employees dated April 11, 2013, purportedly notifying them of a June closure of the Juncos refrigeration department. As this letter postdates the hearing by two days, we shall treat it as an offer of proof. Upon reviewing the letter, we find that it is insufficient to warrant a different result than that reached by the Acting Regional Director.
