ORDER

The Employer's Request for Review of the Regional Director's Decision and Direction of Election is denied as it raises no substantial issues warranting review.<sup>1</sup>

<sup>1</sup> In adopting the Regional Director's recommendation to exclude the Employer's interns from the unit, we rely only on his finding that the interns are temporary employees. We find it unnecessary to pass on the Regional Director's findings that the interns are paid less, receive fewer benefits, are not eligible for raises, are reimbursed differently, and rotate through different departments.
