Division of Operations-Management

MEMORANDUM OM 14-55

April 30, 2014

To: All Regional Directors, Officers-in-Charge,  
and Resident Officers

From: Anne Purcell, Associate General Counsel

Subject: No-Cost Transfer Register for Field Employees

Pursuant to Article 33, Section 5 of the collective bargaining agreement covering Field employees, employees may request a no-cost transfer for their personal benefit and convenience. The names of employees making such a request are placed on a no-cost transfer register that is available at <http://insider.nlr.gov/contractual-programs> . Some employees placed their names on the register a number of years ago and may no longer be interested in a transfer to the office(s) they requested. Accordingly, if you are no longer interested in a no-cost transfer to an office you had previously designated, please notify Administrative Assistant Victoria Wallace by May 16, 2014.

We appreciate your cooperation.
