Division of Operations-Management

MEMORANDUM OM 14-74

August 7, 2014

TO: All Regional Directors, Officers-in-Charge
and Resident Officers

FROM: Anne Purcell, Associate General Counsel

SUBJECT: Updated Chart Showing Notice Posting Deadline Dates

OM 08-65 (Revised) announced a modification in case process applicable to letters accompanying election notices. In order to reduce misunderstandings that might arise regarding when notices must be posted, Regions were instructed to include the deadline by which notices had to be posted in order to comply with Section 102.30 of the Board's Rules and Regulations. To assist Regions in identifying the correct deadline date to be inserted into letters accompanying elections notices, a chart was attached to OM 08-65 (Revised) showing possible election dates and the corresponding posting deadline dates.

Attachment 1 to OM 08-65 (Revised) covered dates running through June 30, 2009. OM memos have issued annually thereafter. Attached to this memo is an updated chart covering election dates for the period July 1, 2014 through June 30, 2015. Consistent with the provisions of Section 103.20, the chart does not count weekends and federal holidays in calculating the deadline date for the posting of election notices. If a Region encounters a situation where there is doubt about whether the date shown on the chart should apply, it should raise the issue with its AGC or Deputy.
