Onyx Management Group LLC and International Union of Operating Engineers, Local 30, AFL-CIO. Case 29–CA–130471

August 28, 2014

DECISION AND ORDER

BY CHAIRMAN PEARCE AND MEMBERS JOHNSON
AND SCHIFFER

This is a refusal-to-bargain case in which the Respondent is contesting the Union’s certification as bargaining representative in the underlying representation proceeding. Pursuant to a charge filed by the Union on June 9, 2014, the General Counsel issued the complaint on June 19, 2014, alleging that the Respondent has violated Section 8(a)(5) and (1) of the Act by refusing the Union’s request to recognize and bargain following the Union’s certification in Case 29–RC–123189. (Official notice is taken of the “record” in the representation proceeding as defined in the Board’s Rules and Regulations, Sections 102.68 and 102.69(g). *Frontier Hotel*, 265 NLRB 343 (1982).) The Respondent filed an answer, admitting in part and denying in part the allegations in the complaint, and asserting affirmative defenses.

On July 7, 2014, the General Counsel filed a Motion for Summary Judgment. On July 8, 2014, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. The Respondent filed a response.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

Ruling on Motion for Summary Judgment

The Respondent admits its refusal to bargain, but contests the validity of the certification on the basis of its position that the bargaining unit in the underlying representation proceeding is not appropriate.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this unfair labor practice proceeding. See *Pittsburgh Plate Glass Co. v. NLRB*, 313 U.S. 146, 162 (1941). Accordingly, we grant the Motion for Summary Judgment.

On the entire record, the Board makes the following

FINDINGS OF FACT

I. JURISDICTION

At all material times, the Respondent, a domestic corporation doing business in New Jersey and New York including at 1 and 2 Jericho Plaza, Jericho, New York, has been engaged in providing primary commercial property services.

During the 12-month period preceding the issuance of the complaint (a representative period), the Respondent, in the course and conduct of its business operations, derived gross revenues in excess of \$1,000,000, and provided services valued in excess of \$50,000, directly to customers outside the State of New Jersey.

We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(2), (6), and (7) of the Act, and that the Union, International Union of Operating Engineers, Local 30, AFL-CIO, is a labor organization within the meaning of Section 2(5) of the Act.

II. ALLEGED UNFAIR LABOR PRACTICES

A. The Certification

Following the representation election held on May 7, 2014, the Union was certified on May 20, 2014, as the exclusive collective-bargaining representative of the employees in the following appropriate unit:

Included: All full-time and regular part-time building engineers, grounds maintenance employees and the lead grounds maintenance employee employed by Onyx Management Group LLC, and working at its 1 and 2 Jericho Plaza, Jericho, New York facility.

Excluded: All other employees, including business office clericals, clericals and professional employees, guards, and supervisors as defined in Section 2(11) of the Act.

The Union continues to be the exclusive collective-bargaining representative of the unit employees under Section 9(a) of the Act.

B. Refusal to Bargain

By letter dated May 20, 2014, the Union requested that the Respondent meet and bargain with it to negotiate an initial collective-bargaining agreement and, since June 6, 2014, the Respondent has refused to do so.

We find that this failure and refusal constitutes an unlawful failure and refusal to recognize and bargain with the Union in violation of Section 8(a)(5) and (1) of the Act.

CONCLUSION OF LAW

By failing and refusing since June 6, 2014, to recognize and bargain with the Union as the exclusive collec-

tive-bargaining representative of the employees in the appropriate unit, the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

REMEDY

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to bargain on request with the Union and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by law, we shall construe the initial period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. *Mar-Jac Poultry Co.*, 136 NLRB 785 (1962); accord *Burnett Construction Co.*, 149 NLRB 1419, 1421 (1964), *enfd.* 350 F.2d 57 (10th Cir. 1965); *Lamar Hotel*, 140 NLRB 226, 229 (1962), *enfd.* 328 F.2d 600 (5th Cir. 1964), *cert. denied* 379 U.S. 817 (1964).

In addition to the customary Notice posting remedies, the General Counsel requests the additional remedy that the Respondent mail a Notice to each unit employee's residence. In the absence of any explanation why the Notice mailing remedy is warranted here, we deny the General Counsel's request.
