ORDER DENYING RESPONDENT'S MOTION FOR A POSTPONEMENT

On February 3, 2016, Respondent moved to postpone the hearing in this matter, which is currently scheduled for February 16. The General Counsel filed an opposition to the motion.

As grounds for the motion Respondent states that key unnamed witnesses will be unavailable because the hearing conflicts with a Valentine's Day Luncheon held between 10:00 a.m. and 1:30 p.m. on February 16. Respondent also relies on pending motions for summary judgment and for dismissal which are pending before the Board, as well as ongoing settlement negotiations.

The General Counsel notes that this is Respondent's second request for a postponement of the trial, which was originally scheduled for January 4, 2016. In light of Respondent's first motion, the hearing date of February 16 was set by the Regional Director on December 11, 2015.

In view of the foregoing, I find Respondent's reasons for a postponement insufficient. I DENY its motion. The hearing will commence as scheduled on February 16, 2016.

Dated Washington, D.C.
