NLRB Case 08-RC-164447**

REQUEST FOR EXTENSION OF TIME TO SUBMIT ANSWERING BRIEF

Dear Regional Director Binstock:

Pursuant to Section 102.69(g) of Board's Rules and Regulations, Employer Nuverra Environmental Solutions, Inc. ("Nuverra") respectfully requests an extension of time to submit its answering brief in response to Petitioner's Corrected Exceptions to Hearing Officer's Report in the above-referenced matter. Petitioner filed its exceptions on February 16, 2016, and therefore, pursuant to Section 102.69(c)(1)(iii) of the Board's Rules, Nuverra's answering brief presently is due on February 23, 2016.

Undersigned counsel is scheduled to attend the American Bar Association's Mid-Winter Meeting of the Committee on the Development of the Law Under the NLRA from February 21 through 24, 2016, and thus the current due date for Nuverra's answering brief falls during that professional commitment. In order to provide sufficient time to review Petitioner's exceptions and respond thereto without impairing undersigned counsel's previously scheduled commitment to attend this annual conference (which is attended by all present Board Members and the General Counsel, and which undersigned counsel has attended each year for more than a decade), Nuverra respectfully requests a six-day extension of the due date for its answering brief, from February 23, 2016 to **February 29, 2016**.

Undersigned counsel conferred with Julie Ford, counsel for Petitioner, who indicated that Petitioner does not object to the extension requested herein.

A copy of this request is being simultaneously served on all other parties to the above-referenced matter.

Very truly yours,

Squire Patton Boggs (US) LLP
