ORDER

The Cross-Petitioner's Request for Review of the Regional Director's administrative dismissal of the instant petitions is denied as it raises no substantial issues warranting reversal of the Regional Director's action. Accordingly, the dismissal is affirmed.¹

KENT Y. HIROZAWA, MEMBER

LAUREN McFERRAN, MEMBER

Dated, Washington, D.C., May 4, 2016.

¹ Member McFerran would deny review, relying on the fact that, while the first bargaining session between the Intervenor and the Employer was not scheduled to begin for at least seven months after the Employer assumed successor status, there is no affirmative evidence that the duration of this seven-month interval was due to lack of diligence or bad faith on the part of the Intervenor.
