NOTICE OF RATIFICATION

The prosecution of this case commenced under the authority of Acting General Counsel Lafe E. Solomon during the period after his nomination on January 5, 2011, while his nomination was pending with the Senate, and before my confirmation on November 4, 2013.

The United States Court of Appeals for District of Columbia Circuit recently held that Acting General Counsel Solomon's authority under the Federal Vacancies Reform Act (FVRA), 5 U.S.C. §§ 3345 et seq., ceased on January 5, 2011, when the President nominated Mr. Solomon for the position of General Counsel. *SW General, Inc. v. NLRB*, __ F.3d __, 2015 WL 4666487, (D.C. Cir., Aug. 7, 2015). The Court found that complaints issued while Mr. Solomon's nomination was pending were unauthorized and that it was uncertain whether a lawfully-serving General Counsel or Acting General Counsel would have exercised discretion to prosecute the cases. *Id.* at *10.

I was confirmed as General Counsel on November 4, 2013. After appropriate review and consultation with my staff, I have decided that the issuance of the complaint in this case and its continued prosecution are a proper exercise of the General Counsel's broad and unreviewable discretion under Section 3(d) of the Act.

My action does not reflect an agreement with the appellate court ruling in *SW General*. Rather, my decision is a practical response aimed at facilitating the timely resolution of the charges that I have found to be meritorious while the issues raised by *SW General* are being resolved. Congress provided the option of ratification by expressly exempting "the General Counsel of the National Labor Relations Board" from the FVRA provisions that would otherwise preclude the ratification of certain actions of other persons found to have served in violation of the FVRA. *Id.* at *9 (citing 5 U.S.C. § 3348(e)(1)).

For the foregoing reasons, I hereby ratify the issuance and continued prosecution of the complaint.
