Case 08-RD-160148

Dear 

The above-captioned case, petitioning for an investigation and determination of representative under Section 9(c) of the National Labor Relations Act, has been carefully investigated and considered.

Decision to Dismiss: As a result of the investigation of the unfair labor practice charge in Case No. 08-CA-160588, I find that further proceedings on the petition are unwarranted. On May 25, 2016, I found merit to the Union's allegation in Case No. 08-CA-160588 that the Employer unlawfully provided assistance to bargaining unit employees' efforts to file and/or process a petition to decertify the Union. This allegation will be subject of a complaint, absent settlement.

Accordingly, I am dismissing the petition in this matter. The petition is subject to reinstatement, if appropriate, after final disposition of the charge in Case **08-CA-160588**.

Right to Request Review: Pursuant to Section 102.67 of the National Labor Relations Board's Rules and Regulations, you may obtain a review of this action by filing a request with the Executive Secretary, National Labor Relations Board, 1015 Half Street SE, Washington, DC 20570-0001. The request for review must contain a complete statement of the facts and reasons on which it is based.

Procedures for Filing Request for Review: A request for review must be received by the Executive Secretary of the Board in Washington, DC, by close of business (**5 p.m. Eastern Time**) on **July 5, 2016**, unless filed electronically. If filed electronically, it will be considered timely if the transmission of the entire document through the Agency's website is **accomplished by no later than 11:59 p.m. Eastern Time on July 5, 2016**.

Consistent with the Agency's E-Government initiative, parties are encouraged, but not required, to file a request for review electronically. Section 102.114 of the Board's Rules do not permit a request for review to be filed by facsimile transmission. A copy of the request for review must be served on each of the other parties to the proceeding, as well as on the undersigned, in accordance with the requirements of the Board's Rules and Regulations.

Filing a request for review electronically may be accomplished by using the Efiling system on the Agency's website at www.nlr.gov. Once the website is accessed, click on **E-File Documents**, enter the NLRB Case Number, and follow the detailed instructions. The responsibility for the receipt of the request for review rests exclusively with the sender. A failure to timely file the request for review will not be excused on the basis that the transmission could not be accomplished because the Agency's website was off line or unavailable for some other reason, absent a determination of technical failure of the site, with notice of such posted on the website.

Upon good cause shown, the Board may grant special permission for a longer period within which to file a request for review. A request for extension of time, which may also be filed electronically, should be submitted to the Executive Secretary in Washington, and a copy of such request for extension of time should be submitted to the Regional Director and to each of the other parties to this proceeding. A request for an extension of time must include a statement that a copy has been served on the Regional Director and on each of the other parties to this proceeding in the same manner or a faster manner as that utilized in filing the request with the Board.

Very truly yours,

Allen Binstock
Regional Director
