v.

**ORDER**

Guy Brewer 43 Inc., DBA Checkers,

Docket No. 16-1517

Respondent.

---

On May 10, 2016, the National Labor Relations Board ("NLRB") filed, by e-mail, an application for enforcement of an agency order that granted the NLRB General Counsel's motion for entry of a default judgment. The application, transmittal letter to the Court, and certificate of service are each dated September 10, 2016, a date four months after the filing date. To the extent this error may have impaired Respondent's notice of this proceeding and created confusion in the mind of the Respondent,

IT IS HEREBY ORDERED that the NLRB re-serve upon Respondent a copy of this order and an application that is currently dated. The re-served papers, with a certificate of service reflecting the date the papers were re-served, must then be filed with the Court. The Clerk is directed to accept these papers nunc pro tunc to the original May 10, 2016 filing date.
