## Abstract of Judgment Notice

Pursuant to Title 28, United States Code, § 3201, this judgment, upon the filing of this abstract in the manner in which a notice of tax lien would be filed under paragraphs (1) and (2) of 26 U.S.C., §6323(f), creates a lien on all real property of the defendant(s) and has priority over all other liens or encumbrances which are perfected later in time. The lien created by this section is effective, unless satisfied, for a period of 20 years and may be renewed by filing a notice of renewal. If such notice of renewal is filed before the expiration of the 20 year period to prevent the expiration of the lien and the court approves the renewal, the lien shall relate back to the date the judgment is filed.
