GENERAL COUNSEL'S RESPONSE TO JOINT MOTION FOR REMAND

Office and Professional Employees International Union, Local 12, the Charging Party, and Trustone Financial Federal Credit Union, the Respondent, filed a Joint Motion for Remand on October 17, 2016, requesting that the above cases be remanded to the Regional Director for consideration of a request from the Charging Party to withdraw the charges.

The General Counsel respectfully requests that the Board hold the Charging Party's and Respondent's Motion in abeyance pending completion of a settlement.

As detailed in the parties' Motion, they have agreed to resolve all aspects of the dispute in the above cases. The General Counsel is seeking some relatively minor modifications to the parties' agreement and a commitment to hasten the implementation of certain provisions of the agreement. In that regard, though there is agreement on how to deal with employees affected by Respondent's change in operations, the General Counsel has asked that that part of the agreement be implemented by

November 30, 2016. Further, though the parties have negotiated a succeeding collective bargaining agreement, it has yet to be executed.

We expect that the terms of the parties' settlement agreement will be finalized relatively soon, after which time, the General Counsel will join in the parties' request to remand these matters to the Regional Director. Until such time, however, the General Counsel is unwilling to join in the request.

Wherefore, we request that the Board grant us leave to no later than December 1, 2016, to file a reply to the Joint Motion for Remand, with the hope that by that time, this dispute will be completely resolved.

Dated: November 7, 2016
