ORDER

The Respondent's request for special permission to appeal the October 4, 2016 order of Administrative Law Judge Sharon Levinson Steckler granting in part and denying in part the petitions to revoke the subpoenas duces tecum served on Charging Party Communications Workers of America and T-Mobile Workers United is denied. The Respondent has failed to establish that the judge abused her discretion in granting the petitions to revoke the subpoenas in part. This denial is without prejudice to the Respondent's right to renew its arguments before the Board on any exceptions that may be filed to the judge's decision, if appropriate.
