Re: Yale University
Cases 01-RC-183014, et al.

**EMPLOYER'S REQUEST FOR EXTENSION OF TIME TO FILE A
SECOND (OR SUPPLEMENTAL) REQUEST FOR REVIEW OF THE
REGIONAL DIRECTOR'S DECISION & DIRECTION OF ELECTION**

On February 22, 2017, the Board denied Employer Yale University's request for expedited review of the Regional Director's Decision and Direction of Election and its request to stay the elections scheduled for February 23, 2017, or alternatively, to impound the ballots in the above-referenced cases. The Board has not yet ruled on the merits of the Employer's request for review, which was filed on February 15, 2017.

On March 9, 2017, the Employer filed a request for a one week extension of time to file a request for review of the Regional Director's findings in the Decision and Direction of Election regarding the status of its employees.¹ The question of whether such a filing is permissible under the NLRB's Rules and Regulations will be presented to the Board, and a ruling will issue forthwith.

The time period for filing further documents in this case will be tolled until the Board has had the opportunity to consider whether the filing of further requests for review of the Decision and Direction of Election is permitted under the Rules.

¹ On March 10, 2017, the Employer filed a request for an extension of pages for its request for review. The Petitioner has filed an opposition to both the March 9, 2017 request for an extension of time and the March 10, 2017 request for additional pages. Petitioner contends that the Employer is not permitted to file a second request for review of the Regional Director's Decision and Direction of Election.
